RE: Recommending 2014 Vacation Time Pay Outs For Administrative Employees

---

Recommending 2014 Vacation Time Pay Outs For Administrative Employees

I am recommending that the Village Board authorize a one-time pay out of unused vacation time effective the final 2014 pay period for the Clerk, Utility Clerk and Economic Development Coordinator. The total 2014 expense is estimated to be $2,427.71. For an extended period of time, each employee has filled in admirably covering various tasks, responsibilities and duties of the Administrator/Treasurer when that position was vacant.

The Village Employee Handbook states as follows:

VACATION

We believe that you should have a period of rest and relaxation each year. The amount of your vacation is determined by the number of full years of service that you have completed. Vacation for new employees is prorated from the date of hire to the end of the calendar year.
Vacation is not counted as time worked for purposes of determining overtime pay.

Vacation is scheduled through your supervisor. You may take vacation in increments of four hours. The schedule of the vacation benefit is:

- Upon hiring 5 days
- After one year of service 10 days
- After five years of service 15 days
- After ten years of service 20 days
- After twenty years of service 25 days

Part-time employees receive vacation pay based on the total number of hours that they work in comparison with total hours worked by a full-time employee. For example, if an employee who works 40 hours per week gets 10 days of vacation, and employee who works 20 hours would get 5 days of vacation. An employee who works 30 hours per week would get 7.5 days. "Hours worked" will be adjusted annually based on the budgeted hours for the position.

All vacation requests are approved by the Administrator/Treasurer. It is policy that at least one and preferably two employees must be in the office and at least one and preferably two public works/utility employees must be "in the field" each regular weekday, except under special circumstance as approved by the Village Board and/or Personnel Committee, such as training. Vacation is typically approved on a first come basis, but approval is at the discretion of the Administrator/Treasurer. Appeals regarding vacation requests may be made to the Personnel Committee.

Vacation time may not be carried over from one year to the next year. Unused vacation time will be forfeited.

Subject: Amendment to the *Dane County Water Quality Plan*, Revising the Cambridge Urban Service Area Boundary and Environmental Corridors in the Village of Cambridge

Dear Mr. Mesbah:

We have completed our review of the subject amendment request that was submitted to the Department on October 17, 2014 by the Capital Area Regional Planning Commission. The Department hereby approves this amendment request which adds 75.6 acres, located between US Highways 12 and 18 and HWY 134 in the northwest corner of the Village of Cambridge, to the Cambridge Urban Service Area, (See Map 1).

The amendment area is currently owned by the Village of Cambridge and is currently in agricultural use. The proposed development will include 20.2 acres of residential use, 26.0 acres for agriculture to be developed as a vineyard, 7.0 acres for commercial development, 8.1 acres in right-of-way and 14.3 acres for open space and stormwater management.

This amendment was requested by the Village of Cambridge, a public hearing was held on September 11, 2014, and the amendment was adopted by the Capital Area Regional Planning Commission per Resolution No. 2014-12 on September 11, 2014.

This amendment becomes a part of the Dane County Water Quality Management Plan and will be forwarded to the US Environmental Protection Agency to meet the requirements of the Clean Water Act of 1987 (Public Law 92-500 as amended by Public Law 95-217), and outlined in the federal regulations 40 CFR, Part 35.

This review is an equivalent analysis action under s. NR 150.20 (2) (a) 3, Wis. Adm. Code. By means of this review, the Department has complied with ch. NR 150, Wis. Adm. Code, and with s. 1.11, Stats.

The approval of this sewer service area amendment does not constitute approval of any other local, state, or federal permit that may be required for sewer construction or associated land development activities.

If you believe that you have a right to challenge this decision, you should know that the Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to sections 227.52 and 227.53, Wis.
