RE: Court forfeitures and costs

DATE: September 21, 2016

Attached is the Municipal Treasurer Report. This report indicates all funds received during the month of August. Also attached is the Municipal Court Monthly Financial Report that is filed with the State and indicates how the funds are split and paid to the Municipality, State and County. Further, I've indicated below the split for Cambridge and Deerfield of all forfeitures paid as well as the division of the court costs between villages – less approximately $5 (the portion of costs that is paid to the State). The difference between the Treasurer's Report and the Monthly Financial Report is due to $14.38 in collection fees paid to H. E. Stark Co. and restitution paid to a Cambridge vendor.

I have also attached, for your information, a Monthly Financial Report specific to the Village of Cambridge and the Village of Deerfield that indicates how funds are split and paid to the municipality, state and county.

TOTAL FORFEITURES:
Cambridge: $523.00
Deerfield: $668.10

TOTAL COSTS:
Cambridge: $460.76
Deerfield: $338.10

TOTAL PAYMENTS TO:
Cambridge: **$983.76**
Deerfield: **$1,006.20**

RE: Court forfeitures and costs

DATE: July 14, 2016

Attached is the Municipal Treasurer Report. This report indicates all funds received during the month of June. Also attached is the Municipal Court Monthly Financial Report that is filed with the State and indicates how the funds are split and paid to the Municipality, State and County. Further, I've indicated below the split for Cambridge and Deerfield of all forfeitures paid as well as the division of the court costs between villages – less approximately $5 (the portion of costs that is paid to the State). The difference between the Treasurer's Report and the Monthly Financial Report is due to $152.21 in collection fees paid to H. E. Stark and restitution paid to two Cambridge vendors.

I have also attached, for your information, a Monthly Financial Report specific to the Village of Cambridge and the Village of Deerfield that indicates how funds are split and paid to the municipality, state and county.

TOTAL FORFEITURES:

Deerfield: $151.28

TOTAL COSTS:
Cambridge: $124.86
Deerfield: $113.19

TOTAL PAYMENTS TO:
Cambridge: **$362.56**
Deerfield: **$264.47**

VILLAGE OF CAMBRIDGE ORDINANCE 2016-05

AN ORDINANCE REGULATING SMOKING, INCLUDING THE USE OF ELECTRONIC DELIVERY DEVICES, IN THE VILLAGE OF CAMBRIDGE

The Village Board of the Village of Cambridge, Dane and Jefferson Counties, does hereby ordain as follows:

Chapter 8.52 of the Municipal Code of the Village of Cambridge shall be repealed in its entirety and recreated to read as follows:

Chapter 8.52 - PROHIBITION OF SMOKING

8.52.010 – Definitions.

a. "Smoking" means to smoke or carry a lighted pipe, cigar, cigarette, or tobacco-related product in any form. "Smoking" also includes the use of an electronic delivery device which creates an aerosol or vapor, in any manner or in any form, or the use of any oral smoking device.

b. "Electronic delivery device" means any product containing or delivering nicotine or any other substance intended for human consumption that may be used by a person to simulate smoking through inhalation of vapor or aerosol from the product. This includes any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or description.

c. "Retail electronic delivery device store" means a retail establishment that does not have a "Class B" or "Class A" intoxicating liquor license or a Class "B" or Class "A" fermented malt beverages license and that generated seventy-five percent (75%) or more of its gross annual income from the retail sale of electronic delivery devices and accessories.

8.52.020 - State statute adopted.

The provisions of Chapter 101.123, Wis. Stats., relating to the regulation of smoking and clean indoor air, except provisions therein relating to penalties to be imposed and except as specifically exempted as stated in sec. 8.52.030, below, are adopted by reference and made a part of this chapter as if fully set forth herein. Any act required to be performed or prohibited by any statute incorporated herein by reference is required or prohibited by this chapter. Any future amendments, revisions or modifications of the statutes incorporated herein are intended to be made a part of this chapter. All regulations and prohibitions of smoking in the state statute shall be construed to include the definition of smoking included in this ordinance, above.

8.52.030 – Exemption to general rule.

1. Retail electronic delivery device stores shall not be subject to the restrictions of this section subject to the following:

    a. The store may provide electronic delivery devices and accessories for the purposes of sampling,

    b. The store must have an entrance opening directly to the outside,

    c. Smoking of tobacco products is prohibited,

d. Said devices may not be carried into any adjoining spaces; and

e. Service of food is not permitted.

2. In addition, the current beer lounge operated by Madtown Vapors, LLC, which holds a Class "B" fermented malt beverage license and is operated in conjunction with said Company's retail electronic device delivery store shall be grandfathered in and may continue to allow the use of electronic delivery devices in said lounge for so long as the two businesses are operated by the same owner and adjacent to one another. Such exemption shall end if the two businesses are separated from one another in ownership or area or if either business is closed for a period 90 continuous days, but a change in ownership of both businesses to the same person or entity or a change in location of both businesses to another location where they are adjacent to one another shall not void this exemption.

8.52.40 – Smoking prohibited on village property.

In recognition of a need to protect the health and comfort of the public and village employees from the detrimental effects of smoking and pursuant to the authority granted to the village by section 101.123(2)(c), Wis. Stats, smoking as defined herein is prohibited by any person within or upon all buildings and enclosed equipment owned, leased, or rented by the village.

Dear President Struss

Enclosed/attached you will find the "Schedule A" regarding contract cost projections for 2016. The cost projection of $495,587 reflects a slight increase in the total personnel costs. The increase in Deputy VandeBurgt's hourly cost is offset by the reduction in the County's contribution to retirement. The vehicle cost also increased slightly with the anticipation of a new squad in 2016. This will schedule squad replacement every two years, alternating between Cambridge and Deerfield.

I will be out of the office until October 5, but please feel free to contact me directly at (608) 284-6870 with any questions you may have, or contact Lt. Bahler and he will address your inquiries.

Sincerely,

DAVID J. MAHONEY

** The Court's laptop currently uses Windows 7 operating system with Office 2007. It is my understanding that Windows 2007 is no longer supported by Microsoft. The current operating system available is Windows 8.1 or 10. That operating system will offer Office 2013. These upgrades are necessary to support the technology available through Quick Clerk. Quick Clerk provides the Court the ability to electronically download new citations from WIJIS, DOT's citation website and to report adjudications to DOT's COWS website as well. Quick Clerk also gives the Court the ability to electronically transfer unpaid citation information to our collection firm, H.E. Stark Agency.

Additionally, Quick Clerk generates monthly financial information the Court needs to provide the State of Wisconsin regarding the forfeiture splits for State, Dane County and the Villages of Cambridge, Deerfield and Rockdale. This financial information is also provided to the Municipal Treasurer and the Joint Cambridge/Deerfield Police Committee.

Thank you for your consideration.
