

PUBLIC NOTICE TO ALL CUSTOMERS OF THE CAMBRIDGE MUNICIPAL WATER UTILITY

The Cambridge Municipal Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to 5 years of inflation, an 8 percent increase in gross plant investment, a 12 percent increase in operating expenses since the last water rate case was completed in 2010. The increase in plant investment includes \$410,000 in new utility financed mains, services, meters and hydrants installed in 2014.

The total increase in water revenues requested is \$112,873 which will result in an estimated overall rate increase of 28 percent over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a 5/8-inch or 3/4-inch meter who uses 3,000 gallons of water per month will increase from \$24.15 to \$32.00 per month, or 33%.

A telephonic public hearing on the application has been scheduled for Tuesday, July 14, 2015, at 11:00 a.m. in the Amundson Community Center, Senior Room, 200 Spring Street, Cambridge. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3766.
